Note: Shingle swatches shown are as accurate as modern printing processes allow. Shingle chips shown do not fully represent the entire color blend range of the shingles. To ensure complete satisfaction please make your final color selection from several full size shingles and view a sample of the product installed on a home.

For colour availability, refer to our Product Directory | Printed colours may vary slightly from actual product | Information in this literature is subject to change without notice. Roofmart assumes no responsibility for errors that may appear in this literature | December 2011
